BOBCAT FIRE EVACUATION ORDER

An evacuation ORDER has been issued for the residents in the following areas:

- South and West of Upper Big Tujunga
- East of Angeles Forest Hwy
- North of Angeles Crest Hwy

Residents in these areas should quickly gather their families and pets and head to your preplanned location outside of the fire evacuation zones. Residents must take these necessary steps to ensure your family's safety. Delaying evacuation will prevent fire crews from suppression activities and compromise the safety of the public and first responders.

Right now, you should:

Review your [Evacuation Plan Checklist](#).

1. Ensure your [Emergency Supply Kit](#) is in your vehicle.
2. Cover-up to protect against heat and flying embers. Wear long pants, long sleeve shirt, heavy shoes/boots, cap, dry bandanna for face cover, goggles or glasses. 100% cotton is preferable.
3. Locate your pets and take them with you.
4. This season is a bit different due to the COVID-19 pandemic. Remember to be Fire Safe and COVID Aware. Ensure that you continue to take the necessary safety precautions in regard to COVID-19 when evacuating.

Those with large animals (i.e. horses and cattle) who have not previously moved these animals, should do so immediately. If you have not made prior arrangements, horses may be taken to the Pomona Fairgrounds.

Residents who have not secured an evacuation destination may contact the Red Cross at 800-675-5799 for further assistance in finding an evacuation location.

Do not return to your home until fire officials determine it is safe. Notification that it is safe to return home will be given as soon as possible considering safety and accessibility.
