SUMMER 2015
JUNIOR LIFEGUARD
VALLEY TRANSPORTATION
FIRST SESSION ONLY

The County of Los Angeles provides transportation to and from the Junior Lifeguard Program from a number of pick-up locations in the Valley. The transportation service is provided for families living a significant distance from the beach to enrich children's lives with summer time beach activities.

Transportation to and from our designated locations is available to participants enrolled in the Junior Lifeguard Program. **Seat space is limited and will be assigned on a first-come, first-serve basis. Program beaches and pick-up locations are subject to change or cancellation depending on enrollment.** Please mail the attached application to:
