

## NEED HELP WITH CERS?

For FY 2016-17 all Hazardous Materials handlers need to submit Facility Information, Hazardous Materials Inventory and Site Map, Emergency Response and Training Plans, and if applicable Underground Storage Tank information into the California Environmental Reporting System (CERS).

The Burbank Fire Department will be hosting CERS Workshops for **FREE!**

**When:** Tuesday, May 17, 2016  
First Session: 10:00 AM - 12:00 PM  
Second Session: 2:00 PM - 4:00 PM

**Where:** Burbank Fire Department  
311 East Orange Grove Avenue  
Burbank, CA 91502  
(Parking is available in two-hour spots behind the building. Do not park in numbered stalls.)

**RSVP** by emailing [BurbankCERS@burbankca.gov](mailto:BurbankCERS@burbankca.gov) or calling (818) 238-3473.

**A limited number of laptops will be provided. Please bring the following:**

- CERS username and password
- Chemical inventory, location of chemicals, emergency response and training information
