Current Situation:
Due to extreme fire behavior, firefighting efforts have been focused, and will remain focused, on the protection of life, and structures. Crews will continue to reinforce containment lines throughout the evening. Steep terrain, limited access, and extreme fire behavior will continue to challenge crews. Weak to moderate Santa Ana winds will persist through the night with gusts around 30 MPH.

83% of all National Parks Service land in the Santa Monica Mountains National Recreation Area has been burned by the Woolsey Fire. All National Parks Service lands in the Santa Monica Mountains National Recreation Area are closed to public entry for safety.
